The Mayor, Municipal Judge and the City Clerk shall have the power to administer oaths.

Section 8. Auditing of Accounts and Publication of Same.

At the end of each fiscal year, and at such other time as it may deem necessary, the Council shall cause a full and complete examination of all the books and accounts of the City, including the accounts of municipally owned utilities, to be made by a competent, independent Certified Public Accountant who shall be the City Auditor.

Section 9. Land Use Powers

The City of Perry shall have full power to promote the public health, safety, morals, and general welfare by regulating the use of real property and by controlling and directing the development of the City, through the exercise of the complete powers necessary and proper to carry out and maintain these and all powers into full effect, within the City limits, to the fullest extent permissible under the Constitution of the United States and the Constitution of this State. The exercise of the powers of planning, zoning, development and subdivision regulation within the City shall be always in pursuance of this grant of authority and not under state statutes or law, except with respect to those matters of general state concern as to which state law controls under the State Constitution. The City also may exercise powers of planning, zoning, development and subdivision regulation granted by the State in respect to matters of general state concern, as aforesaid, and also in respect to property situated outside the City limits, including but not limited to real property owned, leased or controlled by the City. The City shall have the power to exercise its power to protect the health, safety and welfare of the public on real property owned by the City and located outside of the City's corporate limits, including but limited to the power to enforce municipal ordinances.

Section 10. Right to Engage in Business and Other Powers

The City shall have the right to:

1. Engage in any lawful business or enterprise and to do all things necessary and proper in the discretion of the Council pursuant to the authority granted to it by the Constitution, state laws and this Charter, to maintain said business, or enterprise for the benefit of the City.

2. Acquire, own and maintain, within or without its corporate limits, real estate for sites and rights-of-way for any municipal purpose, including but not limited to public utility and public parks, and other public purposes, and for the location thereon of buildings, appurtenances and facilities associated with electricity, natural gas, telecommunications, waterworks, sanitary sewer, drainage and any and all other utilities owned, leased or controlled by the City, and for the purpose of any other lawful business or enterprise of the City. The City may acquire, erect, construct and own all necessary poles, wire, lines, pipelines, mains, channels, together with necessary appurtenances, apparatus and substations, and acquire right-of-ways, and do all other things necessary and proper in carrying on the business both inside and outside the corporate limits of the City. The City may construct or acquire lines, pipelines, mains or channels together with necessary appurtenances by purchase or otherwise and may sell such service to any person, firm or corporation located inside or outside of its corporate limits.

3. Exercise the power and right of eminent domain for any municipal or proper public purpose, within and without its corporate limits.

4. Engage in economic and tourism development, historic preservation, the promotion of aesthetics, and beneficial environmental efforts, and to expend public monies in pursuit of the same, provided that all such efforts are pursuant to written agreements providing for adequate consideration, safeguards and accountability.

5. Engage in all other activities and exercise all such additional powers as permitted by the general laws of the State of Oklahoma, and as currently provided or as hereinafter amended.

Section 11. Sale of Water, Sewer or Electric Utilities.

The City may not sell, lease, convey or otherwise dispose of, in whole or in part, its water, sewer or electric utilities unless such sale, lease, conveyance, or other disposal of such utility shall be authorized by vote of a 2/3rd of the registered voters of the City voting on the question at an election to be held for such purpose. This section shall not apply to any sale or lease to a public trust with the City as sole beneficiary. The sale in whole of any of the foregoing public utilities, if authorized by the vote as provided hereinabove, must be at least equal to or greater than the fair market value price determined by an independent appraisal expert selected by the City. Unless restricted by written instrument, the sale or lease of any real or personal property not constituting or a part of the aforementioned public utilities, upon which a public use has previously been made, may be sold or leased, in whole or in part, without such vote and election.

Section 12. When the Charter Goes into Effect.

1. Upon ratification by a majority vote of the qualified electors of the City voting upon the question at the election and its approval by the Governor:

A. The provisions of this Charter pertaining to offices and officers, both existing and to be elected and appointed, shall go into effect as provided by this Charter.

B. This form of government shall be effective as of the date of the election of officers for this new government to be had in April 2007.

Section 13. Reapportionment.

1. As soon as practicable, following each federal census,

the Council shall review the wards and ward boundaries of the City. Any change in the boundaries of wards shall be made by ordinance with due regard to the convenience and contiguity of the wards. The effective date of a change in the names or boundaries of wards shall be the effective date of the ordinance making the change, unless the Council provides otherwise.

2. When territory is annexed to the City, the Council shall by resolution incorporate it into the adjacent ward or wards or shall readjust the wards and boundaries in the manner provided hereinabove, as it deems appropriate.

Section 14. Review of Charter.

The City Charter shall be reviewed from time to time to ensure its efficiency and relevancy to current events and needs of the residents. The City Clerk shall record and separately segregate all public comments and other suggestions concerning potential charter changes or amendments. At a minimum, the City Charter shall be reviewed at least every ten (10) years. The Council shall appoint a committee of residents to perform this function. Suggested amendments, deletions and additions shall be recommended by the committee to the City Council if deemed appropriate. The Council should consider whether to place such recommendations to a vote of the people at the next general or special election.

Section 15. Ordinance Continued; Pending Actions and Proceedings; Financings

1. All ordinances, insofar as they are not inconsistent with this Charter, shall continue in effect until they are repealed or until they expire by their own limitations.

2. The adoption of this Charter shall not abate or otherwise affect any action or proceeding, civil or criminal, pending when it takes effect, brought by or against the municipality, or any office, department, agency or officer thereof.

3. The adoption of this Charter shall not abate or otherwise affect, in any manner, any City (or public trust authority with the City as beneficiary) financing, indebtedness, note, obligation or any other financial matter in effect at the time of the adoption of this Charter.

Section 16. Saving Clause.

1. If any section or a part of a section of this Charter is determined by a Court of competent jurisdiction to be invalid, it shall not invalidate or impair the force or effect of any other section or part of a section of this Charter, except insofar as such other section or part of a section is dependent for its operation upon the section so held to be invalid.

2. If a Court of competent jurisdiction holds a part of this Charter invalid, or a change in the State Constitution or state law renders a part of this Charter invalid or inapplicable, the Council, by ordinance, may take such appropriate action as will enable the City Government to function properly.
